

WILLIAM H. MCGANNON FOUNDATION

A request for direction regarding your gift to our Foundation

A primary goal of The William H. McGannon Foundation is to create, manage and build endowment funds to support charitable organizations and projects now and forever (in perpetuity). Most donations are therefore held as endowment capital, and grant amounts are controlled to protect the long-term value of the fund and the grants that will be derived therefrom in the future. In addition, we will also hold gifts for a period of not less than 10 years as part of our endowment capital.

Canada Revenue Agency requires that we receive your written direction to invest your donation on a long-term basis to build endowment funds. In the absence of your specific direction we are required to distribute, as grants, where it is received a minimum of 80% of such donation in the year received or in the following fiscal year.

Consequently we request that you sign the following declaration and return it to us.

Thank you for your contribution to The William H. McGannon Foundation's endowment fund.
